

MYSTWOOD *Weddings*

FLOWER /BOUQUET INSPO

WELCOME

Welcome to the Mystwood Weddings Clan.

With our previous packages (prior to our Silver & Gold Packages), please check with Sue regarding what flowers are included in your package.

You may choose your own florist and arrange them to be delivered to Mystwood, or use one of our local recommended florists.

This booklet contains many ideas and inspo for your flowers on your wedding day.

We have also given you the months when flowers are in season.

If you would like to use one of our local suppliers, I can assist you by you simply letting me know what flowers you want, how many and what colours. If you can't find what you love in this flyer, just send me a photo of what you do love and I'll pass this all on for you.
