MYSTWOOD Weddings

WEDDING GUEST INFORMATION GUIDE

May 2025

So you are attending a wedding at Mystwood @ Wollombi?
There are some things about the region you need to know. Wollombi is in the lower Hunter Valley Region. It is not as well known as the upper parts of the Hunter Valley. It is quite rural & remote, but that is what makes it so special.

Just like the rest of the country, El Nino has hit us hard through 2022 and the roads have taken a beating. Even though councils are working to repair the roads, there are still plenty of pot holes. Please allow extra time for travel and be cautious of road damage and wildlife on the roads, particularly wombats.

GPS SIGNAL, Phone Reception & WiFi
GPS signal, Phone Reception and WiFi in the region is limited, so please do not rely on it solely for directions. Your GPS will guide you toward the venue, but once you are close, you will lose signal.

There are 3 ways to get to Wollombi.
From Broke, from Cessnock and from the Central Coast/Sydney.

Please follow these simple directions:

From Broke and Cessnock:

- You will see the Wollombi Tavern in Wollombi Village.
- (There is gps signal in Wollombi Village)
- Drive approx 4kms toward Laguna on Great Northern Road
- Turn left at Milsons Arm Road (you will see loads of letterboxes and rubbish bins on the corner).
- Drive 1.2kms and you will see the Mystwood Rustic Truck on the left.
- Turn left at the truck and drive down the long driveway, past the main house, the cabins, the venue and park up the top carpark and walk down to the venue.

From the Central Coast/Sydney:

- Take the Peats Ridge exit on the M1 and drive through Kulnura, Bucketty and Laguna.
- Once you are in Laguna, drive approx 4kms toward Wollombi on Great Northern Road
- (There is no gps signal in Laguna)
- Turn right at Milsons Arm Road (you will see loads of letterboxes and rubbish bins on the corner).
- Drive 1.2kms and you will see the Mystwood Rustic Truck on the left.
- Turn left at the truck and drive down the long driveway, past the main house, the cabins, the venue and park up the top carpark and walk down to the venue.

Please note that there is NO phone reception at the venue, however there is WiFi

Fuel

Fuel is available at the Great Northern Trading Post in Laguna, but you will pay through the nose for it. We suggest you keep your car full of fuel, so fill up when you get the chance on the way.
There is no fuel available in Wollombi.

Mystwood Cabins

Mystwood have 5 stunning luxury cabins with private outdoor hot tubs, but it is likely they have all been booked by the couple getting married. These cabins can be booked for your romantic getaway when we don't have Weddings booked.

Important Notice: For all accommodation inquiries, please **do not** contact the Mystwood venue directly. All wedding and accommodation inquiries must be directed **exclusively** to Sue at 0416 144 277 or via email at yodaofweddings@gmail.com.

TRANSPORT IN THE REGION

IF YOU WOULD LIKE TO BOOK A BUS SERVICE FOR PICK UP AND DROP WE RECOMMEND YOU CONTACT ONE OF OUR LOCAL BUS COMPANIES.

Please bear in mind that you will need a group of you to be picked up and dropped off to make it not so expensive. Just as a rough example, it may cost around $550 for a 12 seater bus, which when divided out is fine, but if there is only one or two of you, it's very expensive. I would suggest contacting the bride and groom and asking if they can ask other guests if they also want to hire a bus so you could maybe book one between you all. Different bus companies have different bus sizes from 8 seaters up to 30 seaters. Might pay to shop around.

You can view all the accommodation locations on Google Maps.

We cannot guarantee that a bus will be able to pick up from accommodation that is not on this list. If it is not on the list it is likely because the roads and/ driveways are rough and not accessible by a bus. Please check with the bus company.

Please Note: We do not recommend Rover coaches as they will not drive over the bridge on Milton's arm Road all other bus companies will drive over the bridge.

Important note re children/babies - Some bus companies do not transport any children.

Wine Country Motor Inn Cessnock

We highly recommend the bride/groom contacting the **Wine Country Motor Inn** as soon as the wedding is booked.

It is located in Cessnock, right in the heart of town, surrounded by great amenities, supermarkets, restaurants and pubs.

Ask to speak to somebody about holding multiple rooms for a wedding. Give them the wedding date so they can check availability at that time. Ask them if your guests must book two nights or if they can just book one night.

Ask them to hold as many rooms as you need. You might want to hold 10 rooms or more.

They have 50 rooms onsite and they will give you a special code for your wedding.

You then simply give the hotel details to your guests and they contact the hotel direct, giving them the code which is attached to your wedding rooms on hold.

They can then book and pay for their rooms themselves.

By having a lot of people staying at the one location makes it super easy for them to share the cost of a bus there and back.

You can then add the information onto the wedding invitation or just send to all your guests.

They do recommend Rover Coaches, however we advise against using that company. Please refer to the bus companies recommended in this document on page 4.
